- ✓ Women with any symptoms are prohibited to enter the building
- ✓ The mikva is cleaned daily by Merco Cleaning Services
- ✓ An approved disinfectant anti bacterial spray is used
- ✓ After every use the room is disinfected
- ✓ A check list is on each door, ensuring everything is cleaned to the highest standards including handrails, door handles, toilet flush, and taps etc
- ✓ Hand sanitiser is provided before and after use of the mikva
- ✓ The Mikva attendant will check each lady before teviloh but not as thorough as usual, a careful extra check must be done by yourself
